

Sustrans' School Travel Action Days

www.sustrans.org.uk/schooltravel tel: 0117 915 0100 email: schools@sustrans.org.uk

Our School Travel Team brings enthusiasm and knowledge to our Action Days, using fun and unique approaches to ensure a high level of participation and enjoyment. Here are just a few of the positive comments we have received:

- "Enjoyed very much. Great to meet other teachers and hear what other schools are doing." - London
- "Very helpful. Good speakers with enthusiasm and relevant information." - Buckinghamshire
- "Very enjoyable day, packed with useful ideas." - Brighton
- "It was a very useful and informative event for people setting out on developing School Travel Plans within schools."

"The training session provided a focus for Local Authority STP Officers to network in an environment where everyone – including the Local Authority Officers are learning together."

"We have regular seminars within Camden for STP and school Travel officers, but it's useful to have an external expert with a global perspective of what other Local Authorities are doing to share best practice." - London Borough of Camden

- "Getting people together in one room is really beneficial – we arrange these meetings ourselves but Sustrans intervention resulted in an effective and worthwhile day. It wasn't just a tick box exercise and was a really good use of our time."

"Several schools have since set up walking buses, this is a direct result of attending the Champions Training Session as the walking bus process was set out so clearly." - Derby

- "The workshop was just what we needed – we really enjoyed it and I think the teachers were pleasantly surprised as well!" - Anglesey

Sustrans is the charity that's enabling people to travel by foot, bike or public transport for more of the journeys we make every day. It's time we all began making smarter travel choices. Make your move and support Sustrans today. www.sustrans.org.uk
