list of Figures

Chapter 2 - Structure and Use of Guidelines

2.1	General Notes	
2.2	Key to figures	22

Chapter 3 - Criteria for Route Planning

3.1	A Typical Journey on the National Cycle Network	28
3.2	Route Planning in Urban Areas	31

Chapter 4 - Links Within the Highway

4.1	Link Specification Criteria	
4.2	Reallocation of Road Space to Cyclists	39
4.3	Mandatory With-Flow Cycle Lane and Bus Lane	41
4.4	Advisory Cycle Lane with Adjacent Parking/Loading	43
4.5	Contra-Flow Cycle Lane.	45
4.6	Contra-flow Cycle Lane with Adjacent Parking	47
4.7	Segregated and Unsegregated Cycle Track/Footway	49
4.8	Cycle Track Joining and Leaving Carriageway.	51

Chapter 5 - Junctions and Crossings

5.1	Assessment Framework for Selecting Crossing Type	57
5.2	Cycle Track Priority Crossing	59
5.3	Mandatory Cycle Lane: Continuation Across Minor Road	61
5.4	Cycle Track/Footway Crossed by Private Access	63
5.5	Cycle Track Priority Crossing "Bending Out" at Minor Road	65
5.6	Toucan Crossing	67
5.7	Cycle Track Give Way Crossing	69
5.8	Cycle Track Crossing with Refuge Island	71
5.9	Staggered Cycle Track Crossing of Major Road	73
5.10	Offset Crossing at Unsignalised Junction.	75
5.11	Staggered Cycle Track Crossing of Dual Carriageway	77
5.12	Minor Road Crossing Major Road at Signalised Junction	79
5.13	Staggered Minor Road Crossing Major Road at Signalised Junction	81
5.14	Two-Way Flow, 90° Turn at Signalised Junction	83
5.15	Cycle Bypass at Signalised Junction	85
5.16	Roundabout	87
5.17	Bridge	89
5.18	Underpass/Subway	91

Chapter 6 - Traffic Calming

6.1	Road Humps/Speed Cushions.....	99
6.2	Road Narrowings	101
6.3	Minor Road Closure	103
6.4	False One-Way Street.....	105

Chapter 7 - Rural Roads

7.1	Cycle Area Gateway	113
7.2	Features on Links	115
7.3	Major Road Crossings	117
7.4	Restricted Access Routes	119
7.5	Cycle Routes over Hills	121
7.6	Central Refuge Detail	123
7.7	Typical Rural Pinchpoint	125

Chapter 8 - Paths and Areas Free from Motor Traffic

8.1	Shared Cycle Tracks/Footpaths/Bridleways	133
8.2	Canal Paths	135
8.3	Canal Path Balustrades	137
8.4	Widths of Segregated Cycle/Pedestrian Facilities.....	139
8.5	Construction Materials and Thickness	141
8.6	Construction Details.....	143

Chapter 9 - Signing Parking and Other Details

9.1	National Route Direction Signs..	151
9.2	Tactile Marking for Segregated Facilities.....	153
9.3	Cycle Parking.....	155
9.4	Access Barriers.....	157
