Rural school example

School Champion(s)

Deputy Head Teacher

Where are we now?

Currently our school is struggling to manage safe parking and school congestion. We are located alongside a busy 'B road' without safe pavements, crossings and safe space for parents to park.

Parents are parking on double yellow lines outside school and causing disruption for through traffic. Due to the lack of safe infrastructure, very small numbers of parents and pupils travel actively.

What do we want to change?

We would like to encourage people throughout the village to travel actively. (Many students live under 1 mile from the school). Also, we would like to set up a park and stride option for parents and children who live in surrounding rural areas. We will need safe infrastructure and cycle confidence sessions to achieve this.

Goals for academic year

- 1: Set up a Park and Stride for parents and learners in surrounding rural areas.
- 2: Infrastructure: Bike Storage and a safe pedestrian crossing
- 3: Restart Bikeability and find support teaching pupils to cycle safely.

Other notes:

We are currently taking part in Eco Schools and creating an Active Travel School Plan will hopefully inspire pupils to make impactful environmental action.

We have had support from Sustrans before Covid which was very beneficial to us. However, due to a change in staff over the last few years we have found it difficult to prioritise Active Travel.

Actions How to achieve your goals this year?		Completion date	Who is responsible?	Which goal impacted?
Autumn	Introduction assembly to active travel School Planning	End of September	School Champion	3
	Set up a survey to capture baseline data for building a case for infrastructure change (Talu Teithio)	End of September	Staff	2
	Contact our local Authority about our enthusiasm and momentum for active travel	Start of October	School Champion	2
	Include an Active Travel section in our termly newsletter	December	Staff	1
Spring	Contact our Local Authority and Sustrans for Bikeability and scooter skills sessions in Summer Term	January	School Champion	3
	Hold a 'bling your bike' competition for St Dwynwen's day	February	Staff	3
	Take part in Sustrans 'Big Walk and Wheel'	March	Whole school	3
	Contact our Local church and rugby club for 'park and stride' parking for AM and PM drop off.	March	School Champion / Staff/ PTA	1
Summer	Complete a Safer Street resource lesson to educate pupils about safe infrastructure.	June	Staff	2
	Scooter and Cycle Skills Sessions	June	School Champion / LA / Sustrans	3
	Complete Data Collection for Active Travel (Talu Teithio)	July	School Champion	2
	Contact our Local Authority with our annual survey data and begin to build case for safe infrastructure changes.	July	School Champion	2
